INTERNATIONAL FAIR OF LUANDA

23rd - 28th JULY

EXHIBITOR'S FILE

10 am to 6pm

WWW.FILDA-ANGOLA.CO.AO

Dear Exhibitors and Partners

Several decades have passed since FILDA - Feira Internacional de Luanda - was founded. The first edition took place in the 1960s, organised by the Industrial Association of Angola (IAIA), as a result of a gigantic process of industrial transformation that was taking place, with the need to show Angola's economic and business development to the world.

Organised by various management entities until 2015, it passed after a one-year interregnum to the direct management of the Angolan Government, namely by the Ministry of Economy and Planning with the Production and Promotion of the Fairs & Events Arena. Great changes occurred, new approaches were installed, thus assuming a new dynamic and modernity.

For many decades it has been a symbol of business, socio-economic and social development in Angola, a meeting point for national and foreign operators and partners, a showcase of capacities and potential and as such an initiative that is important on the national scene and a stimulant for increasing production capacity and launching new economic bridges.

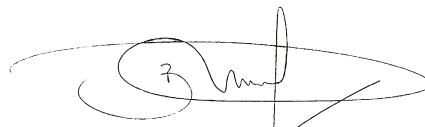

Throughout its history of ups and downs, advances and setbacks, FILDA continues to be the biggest economic event in the country.

In this way, the Ministry of Economy and Planning and Eventos Arena announce that the 39th Edition of the Luanda International Fair will be held from July 23 to 28, 2024, in the ZEE - Special Economic Zone. We invite exhibitors, partners, visitors and the others involved with the objective of enabling the international participation in Filda 2024, we thank the confidence placed in the Ministry of Economy and Planning and in Eventos Arena and we count on the presence of all for the organisation of another successful event.

In the certainty of counting on your participation, we thank you in advance for your attention and we are at your disposal for any clarification.

With great esteem and consideration.
